CENTENNIAL OF WASHINGTON CITY AS CAPITAL.

Wednesday last was celebrated at Washington City as the centennial of the removal of the capital of this great nation from Philadelphia to Washington City. There was a vast crowd of people and a large gathering of Governors of States and other notables.

The program of the day began with a reception at 10 o'clock by President McKinley and members of his Cabinet to the Governors of the States and Territories at the Executive Mansion. This was followed by the unveiling in the East Room of the model of the proposed enlarged Executive Mansion, which is to be a lasting memorial of the day's celebration.

The other events of the day were a parade from the White House to the Capitol, participated in by the President and other dignitaries and visiting and district militia; joint exercises by the Senate and House in the hall of the House of Representatives; at night a reception was tendered the Governors of the States and Territories at the Corcoran Gallery of Art.

PNEUMONIA PREVENTED.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by J. W. Gayle, druggist.

SOLDIER CUT.

While drunk in a saloon on St. Clair street, on Tuesday night, a soldier, whose name we could not learn, became very abusive and profane. Some one unknown represented his remarks and he was cut in the side and shoulder. An effort was made to cover the matter up and we were only able to get this much.

Many persons have had the experience of Mr. Peter Serman, of North Stratford, N. H., who says, "For years I suffered torture from chronic indigestion, but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief at once even in the worst cases, and can't help but do you good. South & Longmoor, W. McKee Hardie.

CAN THIS BE TRUE?

In most localities crap shooters and other law breakers are possessed of an inborn fear of grand juries and "and Your Honors;" but in Owen county they are different. Last week a gang of "bone rollers" of both colors were caught shooting craps in the court house, and, mind you, in the grand jury room and on the very table that for fifty years has been used by that sacred body in the discharge of its duties. 'Tis said that Lexington, Ky., is the third wickedest city in the nation, (according to population) but for "nerve" of the denizens of the "Under World" Owenton takes the palm.

READ THEM.

Master Commissioner W. H. Posey has two advertisements in to-day's paper. Read them.

LOST—A pocket book containing money and papers. Will reward finder. C. L. SWAIN, Cincinnati. 14-1t.

STORY OF A SLAVE.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by J. W. Gayle, druggist.

LUCKY SUBSCRIBERS.

The San Francisco Weekly Examiner has decided to send six of its subscribers to the Pan-American Exposition and supply each of them with not only a first-class return ticket, with stop over privileges, but with \$300 each in cash. With such a large amount of spending money and traveling expenses paid, the six lucky subscribers to this leading paper of the Pacific coast ought to have a good time at Buffalo and the Pan-American next summer.

FOR PNEUMONIA.

Dr. C. J. Bishop, Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." There is nothing so good. South & Longmoor, W. McKee Hardie.

TWENTY-THIRD ANNIVERSARY.

Rev. George Darsie preached his twenty-third anniversary sermon at the Christian Church last Sunday morning. A large congregation was present to hear it. Among other facts presented he said that since the church was organized 68 years ago, 1,566 persons have been received into its membership, that in the twenty-three years of his own pastorate 1046 have been added, that the increase of the past year was 36, and that the present membership of the church is 661. For missions the past year \$1,810.19 were raised, and for all purposes \$4,611.48. The church is just completing the raising of a "named loan fund" of \$5,000, in church extension, a fund which is building five new churches every year. The church supports its own missionary in China, but gives liberally to home missions as well. It has a flourishing Sunday-school; a Home Class Department; Ladies Aid Society; Junior and Young People's Endeavor Societies, all of which made a good record the past year. All of its work is in good shape and every department is prosperous. The year just closing has been one of its best, and the coming year promises to be still better.

When you feel that life is hardly worth the candle take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse your stomach, tone up your liver and regulate your bowels, making you feel like a new man. For sale by J. W. Gayle.

A KNOWING THIEF.

Six sheep which were being raised by Aaron Bordwell, the well-known sheep breeder of Darien, N. Y., for exhibition at the Pan-American Exposition at Buffalo, were recently stolen. It merely shows the growing popularity of the Pan-American when thieves take to stealing things intended for exhibition at the great fair.

\$1,000 WORTH OF GOOD.

A. H. Thurness, of Wills Creek Coal Co., Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones, with excruciating pain. Other medicines only gave relief. After taking Foley's Kidney Cure the result was surprising. A few doses started the brick dust, like fine stones, etc., and now I have no pain across my kidneys and I feel like a new man. Foley's Kidney Cure has done me \$1,000 worth of good." Take no substitute. South & Longmoor, W. McKee Hardie.

PREVENTED A TRAGEDY.

Timely information given Mrs. George Long, of New Staatsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1. Every bottle guaranteed. Trial bottles free at J. W. Gayle's drug store.

Attention!

To prepare your sons for a busy life in this busy world, send them to Ellendale Commercial College, near Cardsville, Ky. The college is situated in a healthful and refined neighborhood in Daviess county, remote from the distractions and temptations of city or town. Only experienced instructors are employed. Without one exception our graduates are holding good positions. Board, tuition, furnished room, etc. only \$80 for 20 weeks. For catalogue and particulars, address J. E. GARDINER, A. M., Pres. 46 6m.

A cascade, seventy feet high and 30 feet wide, falling from the southern face of the 375 foot high Electric Tower, and resembling a flowing sheet of sunbeams, will be one of the luminous features of the Pan-American Exposition.
